DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on 10/28/03 The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

2. The terminal disclaimer filed on 10/28/2003 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of U.S. Patent No. 6,314,374 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

3. Claims 1-2 allowed.

4. The following is an examiner's statement of reasons for allowance:

Although the prior art disclose several claimed limitations, for example: U.S. Patent No. 6,314,374 disclose a data processing apparatus for chromatograph including a detector for detecting a sample so as to output a measuring signal according to elapsed time, an input unit for inputting an information signal by an operator, and a display for displaying said chromatogram and said base line, said

display having a strength parameter display area for displaying said difference in a direction of signal strength of said chromatogram between said adjacent data points of said base line.

As per claims 1-2, none of the prior art teach singularly or in combination a data processor for processing said measuring signal based on said information signal so as to output a chromatogram formed with a plurality of chromatogram data points and a base line corresponding to said chromatogram, said data processor correcting a plurality of data points forming said base line based on said strength parameter, said strength parameter defining a difference in a direction of signal strength of said chromatogram between adjacent data points of said base line.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
